

**2019/2020**

## **REMODELING/EXPANSION NEWS**

### **Now in the planning stages are:**

**A larger Children's Room with room for more books, study, crafts & maker experiences**

More room for Teen books, videos and media and crafts & maker experiences

**Technology rich updates throughout including for current new study/meeting rooms**

Climate controlled facilities for better archiving of our growing Local History collections

**Better prep and sales space to respond to the growing number of book donations, benefiting the work of both Library staff and Friends of the Library**

ADA adaptations for the Library building and collections

**A welcoming outdoor streetscape around the Library & Morton/Margerum City Hall**

Parking garage updates to offer library patrons and other visitors a better parking experience with continued free parking for library visitors & improved lighting, and other updates throughout

Those boring – but oh-so-needed – refreshes for the Library's HVAC, carpeting, furnishings and technology

**Exploring more "green" options for the library building and grounds**

And last but importantly, continuing our deep collections built for reading, viewing and listening.

**NOVEMBER 2019:** The Library Board is seeking a Construction Manager for the remodeling/expansion project. The Request for Proposal (RFP) [is available at the Library's "News" website.](#)
